Another Spectacular Night For Karter's

Tuesday, July 22, 2008

It was another great night for racing at the Cornwall Karting Club Tuesday night as over 40 karts showed up for the B/L Metals and Dave the Bulldog Bissonette sponsor night. And with the rain in the last few days made for another very fast track for the drivers to get around. With a small sprinkle from other Nature near the start of the night just gave the track more moisture making it super fast.

During the hot laps the race teams got a taste of a fast track so they could make the right adjustments before heat action. In heat action it was an sure tell tale on just how good these young drivers are with very few cautions and some great close racing and lots of fun had by all.

In Feature action this week in Box Stock Class the 51 of Tyler Ezard made his way through the pack and fought hard to keep the lead but not without a battle from the rest of the field but Ezard held his ground and took home the win.

In Rookie One it was the 22 of Cedric Gavereau taking the checkered flag in another great feature event. In Jr Sportsman One the young Kacey Nevelle in the KC1 made his way to thru front taking a mid way lead and never let up winning yet another feature event in 2008.

Jr Sportsman Two was a fast and furious event with the 115JB of Jacob Blais coming out on top but not without a challenge from the rest of the field but Blais came out victorious. In the Rookie Class it was the 48 of Marc Alexander who takes the checkered flag to take himself home a feature trophy.

Jr Sportsman One the Talented Myles Delormeir in the 27 shows his stuff late in the race to take him self home yet another win in 2008.

Jr Restricted this week was split into two features and in the 1st feature it was the 8g of Oliver Gough who held off a hungry pack behind him to take home the win. In the second feature the 1 of Justin Lalancette prove once again that he will be a force to recon with this season and putting another feature win under his belt.

Stock Clas this week was super fast with laps down in the low 8 second marks and a new comer gets his first ever feature win in Cornwall the young Josh Krikland, took the lead near the half way mark and battled off pack grabbing himself the trophy.

Be sure to join us next Tuesday July 29 with Consult Info / Robert Gough (Mom's Race) sponsor night with green flag dropping at 7:15.
